

Backgammon Germany invites all backgammon enthusiasts to the **17th International German Backgammon Championship**, which is one of the largest backgammon events in Europe, with more than 200 national and international participants.

The new event hotel, the Scandic Hafenpark Frankfurt, has a large ballroom of almost 600m<sup>2</sup>, which we can use for our tournament. The modern hotel, the ballroom and the experienced tournament management are the best conditions for an interesting and exciting weekend.

We have placed a registration form on our website and look forward to your non-binding pre-registration. The registration is only binding when you register on site.
